- 3) Will attend the Council for its full duration.

Each district is encouraged to select as its representative the best-qualified eligible Rotarian available for service that is well informed about current Rotary policies, procedures, and programs. The RI Board, while recognizing that the clubs in each district may select whom they will, stresses that representatives to the Council should be selected on the basis of their ability to carry out their defined duties and not on the basis of their personal popularity within the district. The role of representative should be viewed as a serious and responsible

position and not simply a perquisite of having served as governor.

It is the duty of representatives to:

- 1) Help clubs prepare their proposals for the Council.
- 2) Discuss proposed legislation at the district conference or other meetings.
- 3) Know the existing attitudes of Rotarians within the district.
- 4 Critically consider all legislation proposed to the Council and communicate those views to the Council effectively.
- 5) Act as an objective legislator of RI.
- 6 Attend the meeting of the Council for its full duration.
- 7) Report on the Council's deliberations to the clubs of the district after the Council meets.
- 8) Be accessible to clubs in the district to assist in their preparation of proposals for future councils. (*RIB 8.030.*)
- 9) Modify the District ROP to correct new legislation passed by the COL prior to the District Conference that a new COL representative is elected. (last year of service)

8. DISTRICT MEETINGS AND CONFERENCES

A conference of Rotarians is held annually in District 6820 at a time and place agreed to by the governor and the presidents of the majority of the clubs in the district. The dates of the conference must not conflict with the Rotary institute, District Assembly, International Assembly, or RI Convention. The RI Board encourages districts to hold district conferences in the first half of the Rotary year.

The purpose of the district conference is to further the object of Rotary through fellowship, inspirational addresses, and the discussion of matters relating to the affairs of clubs in the district and RI generally. The conference considers any special matters submitted to it by the RI Board or matters originating within the district. The district conference should showcase Rotary programs and successful district and club activities and

encourage interaction and dialogue among clubs. Recognizing that the district conference is an opportunity to sustain and increase the membership base within the district, the information should be presented inspirationally and in an atmosphere of fellowship. A conference may endorse or propose legislation for the council on legislation and also may elect its representative to a council on legislation.

The RI Board may authorize two or more districts to hold their conferences conjointly. This is encouraged, provided that the district conferences are not held conjointly two years in a row.

Districts are encouraged to hold the district conference at a location that encourages maximum participation and limits undue financial burden.

The district conference must:

Provide the RI president's representative an opportunity to make two primary addresses to the conference (including a major address of 20-25 minutes at the conference session with the maximum attendance, including spouses) and remarks of appreciation to the host district at the conclusion of the conference.

The district conference should:

Be held for two to three days.

Include discussion groups to increase participation by members.

Include a balanced program in which the majority of the content is focused on Rotary and Rotary Foundation Subjects.

Consider district resolutions.

Extend a specific welcome to new Rotarians, Rotarians attending the district conference for the first time, club presidents, and others, as appropriate.

Maximize the use of volunteers who have participated in Rotary and Rotary Foundation activities in the program.

Include promotion of the next conference and encourage pre-registration.

Keep costs affordable in order to encourage maximum attendance.

Avoid scheduling conflicts between the conference holidays, and other events.

Encourage the attendance of every registrant at plenary sessions by scheduling spouse and other events at non-conflicting times.

Promote exhibitions of club and district projects. Perhaps in a house of friendship.

Recognize the experience that the RI president's representative brings to the conference and involve the representative in group discussion sessions and other sessions accordingly. Provide a special orientation event for new Rotarians.

Include a district leadership seminar for interested Rotarians who have served either as a club president or for three or more years in leadership role in the club, for one full day immediately before or after the district conference.
